

# LAAST Frontiers

**An Update from Jim & Ester Mazurek – Assemblies of God Missionaries in Chile  
Latin American Advanced School of Theology (LAAST) August 2002**

---

**What is the measure of ministry – real and potential – of this group?**

**Some came from broken homes. Some came from good homes.  
Some were once orphans. Some were alcoholics. One did time for murder.**

**Jesus changed them all.**

**Today, this group includes:**

- **Two District Superintendents, who give oversight to 320 congregations**
- **Fourteen Bible School Instructors**
- **Thirty-five Pastors**
- **Three Bible School Directors**
- **Two full-time Evangelists**
- **One National Christian Education Director, who gives educational guidance to nearly 10,000 congregations**

**All this, in just one of three LAAST seminars conducted in Mexico this past June.**

This seminar was held in Merida, in the hot, hot Yucatan Peninsula. Jim served there as Seminar Director and Professor of Advanced Hermeneutics. We had a great time – studying, worshipping, praying, and sharing about ministry – together. The LAAST way. Affordable, on-site advanced ministerial training in a context of close human relationships. **It's working for over 1,800 ministers across Latin America. It's working thanks to your help.**
