An Update from Jim & Ester Mazurek – Assemblies of God Missionaries in Chile
Latin American Advanced School of Theology (LAAST) - Jan/Feb, 2003

Please help us help some of God's choice servants:
Cuban Assemblies of God pastors

These outstanding Assemblies of God ministers are just a few of our students at the newest seminar site of the Latin American Advanced School of Theology – Cuba.

Two years ago, Jim was part of the first L.A.A.S.T. team to ever minister in Cuba. Very soon he is going back for another seminar, as Director and one of three instructors. You will have a hard time finding a group of people who appreciate L.A.A.S.T. Seminars more than these wonderful fellow-workers. But we need your prayers, and your help, ASAP.

Please pray for us, send a generous offering, and help us help these choice servants.

You can help more Latin American ministers receive LAAST Seminars training by sending a generous offering to:
