Rescued from the streets to the loving arms of our Invisible Friend - JESUS!

***The story of Isaias is like many others
we've heard in the "World of Our
Invisible Friend" children's ministry.***

Abandoned by his mother when he was very small, Isaiás was rescued by two neighbors who raised him as their own son. We met him three years ago, with a broken heart and filled with sadness, still wondering why his mother didn't want him.

Isaias brings his offering to Daniel Rojas, Pastor of the Children's Ministry.

Thanks to the Bible stories, workshops, the friendship and loving care of teachers and friends at our children's ministries center, Isaias has forgiven his mom and his heart now belongs to the "Invisible Friend", Jesus! His desire is to grow up and become a teacher in the ministry, to help other children, like we've helped him. Today Isaiás is a happy and thankful kid. So thankful that he applies all his efforts to raise three dollars each month to give as an offering for the ministry.

God is honoring Isaias' gifts as well as those of the many children that try to help. Last June God granted us temporary use of a new school building built on a 10,000 square foot lot - for **FREE!** Now every Saturday nearly 200 kids pack into the seven classrooms and small playground area to learn about Jesus and praise Him with their talents and abilities. It still is tight, but much better than the house we've rented till now. This blessing will last until March of 2004 when we may need to move again. Please help us buy our own property and build the Santiago Children's Ministries Outreach Center - a facility which will house multiple ministries to reach and disciple children as well as their parents.

Won't you be a partner with Isaiás? If he can raise three dollars, what can you do? May God bless you as you help.

Thanks again. May the Lord bless you always.
