December, 2004

Dear Friends,

THANK YOU! All of you who have blessed us so greatly these past months of our time back home in the good ol' USA. We have enjoyed the fellowship and encouragement of so many in Colorado, Nebraska, Kansas, Iowa, Missouri and Indiana. To all of you whom we have not yet seen, we trust that the Lord will soon bring our paths together during these next few months.

We have enjoyed wonderful services, and everyone has been very generous, yet we still have a long way to go in raising funds for the **Santiago Children's Ministries Center**. This multipurpose building will serve as a school, a church, and as the nerve center of a host of evangelistic, educational and nutritional outreaches. Please pray that the Lord will cause all the necessary funds to come in. We still need to raise over \$75,000.00 by next Spring for this project.

Ester and our two youngest kids, Jamie and James, have recently returned to Chile to provide care for Ester's mother who has just undergone cancer surgery. We covet your prayers on her behalf.

To all of you who keep us on your prayer lists, thank you once again. This Thanksgiving weekend past, Jim & Koreen, who is now in college, suffered an accident on I-70 in Kansas. Although Koreen's little Honda had some damage, they both walked away uninjured from what could have been a tragedy!

Jim is anxiously awaiting his next trip to Cuba, scheduled for May, 2005. The **Latin American Advanced School of Theology** team is expecting another outstanding group of Cuban pastors, such as these brethren pictured in the '54 Chevy, all LAAST students since 2001. These incredible men and women truly set a high standard of commitment and dedication to the Lord's work. Please pray for them, and help us take advanced ministerial training right to them. Face-to-face and heart-to-heart.

Pray with us that we might wrap up this iteration time as soon as possible. We need to raise an additional \$2,500 in monthly support of these ministries. If each one of you who already support us were to increase your pledge by just \$20.00 a month, the budget would be raised! Please help us. As always, we count it an honor to be...
