Dear Friends,

Thank you for your prayers!

We are happy to report that Ester's mother, Ester Richard Silva, underwent successful surgery for her advanced breast cancer condition early last month.

Three tumors plus lymph nodes were excised and she is now undergoing radiation treatments. Her condition is improving steadily and she is in very good spirits.

As we reported last month, Ester and our kids returned to Chile during Thanksgiving to be with Ester's mom and to give her the necessary post-op care.

Jim and Koreen were able to fly down to join the family for Christmas. God has been very good.

Please continue to pray for Ester Richard, that she will regain her complete strength and so continue to serve the Lord as she has her entire life.

Please pray as well that we might continue to raise the necessary funds for the purchase of the building site of the future Santiago Children's Ministries Outreach Center. We need to close a deal very soon, but still need to raise \$100,000 as soon as possible. Thank you so much for your help.

We are delighted to be your partners in missions,

Jim & Ester Mazurek
