

We want you to meet Evelyn Bermudez, our first John Mazurek Memorial Scholarship winner!

On August 3rd, 2006, Jim had the pleasure of announcing and delivering the first ***John Mazurek Memorial Scholarship***. The winner is Evelyn Bermudez, a student at the Assemblies of God Center for Theological Studies in Santiago, Chile. Her scholarship will cover tuition costs for one whole semester.

Evelyn was raised in a home where only her mother knew the Lord. Upon her mother's death five years ago, Evelyn knew she needed to surrender her life to Christ and His will.

Despite finding no support from her father and siblings, last year Evelyn traveled from her home town, Quillota, to Santiago, to enroll at the Center for Theological Studies, which John Mazurek directed back in the 1960's and 70's. As Evelyn puts it, ***“Going to Bible school is a step of faith. Going to Bible school with no money is an even bigger step of faith!”*** Through a series of miracles, God helped her make it through her first year. Now in her second year, Evelyn has experienced the same testing of her faith.

Evelyn is a straight A student. Every weekend she returns home by bus to assist with youth and children's ministries at the Quillota Assembly of God church. She is a very worthy and grateful recipient of this scholarship!!

On behalf of Lucille, Robert and Jim Mazurek, thank you for making this possible. Please give so we can help more students achieve the goal of completing their Bible School training and moving ahead in the ministries God has in store for them, as we perpetuate the legacy of **John Mazurek** in Chile.

Help provide scholarships for needy, worthy Bible School students in Chile.
