Mmmmm, Bueno!!

September 18th!!

That is Chile's Independence Day, and at the **Santiago Children's Ministries Outreach Center** we all dressed up like Chilean cowboys and cowgirls (*huasos* and *huasas*) and had a rip roarin' good time, eating Chilean BBQ and empanadas, and enjoying all sorts of fun games and contests.

We fed nearly 200 kids and parents this time around. For many it was the first time ever to enjoy this national holiday in a Christian atmosphere, free from the usual drunken carousing that takes place in most of these celebrations.

Every week new kids attend our Saturday activities. If you knew the backgrounds some of these kids come from it would break your heart. We are working right now to rescue a group of children from a situation of gross sexual abuse. The Lord is with us and we know we will prevail. We are trusting God for the souls and lives of these kids. Pray with us for miracles in a very difficult situation.

We urgently need your help to continue in the construction of our Children's Ministries Center. Of the \$45,000 needed for the first two levels we have less than \$10,000 at present. Please understand; we need these buildings more than ever; and we need your partnership to get the job done.

To all of you who have already given so much, so generously, go our deepest feelings of gratitude. May the Lord richly bless you all.
