

We pause this season to praise the Lord for His coming to Earth and for the many, many blessings He has given.

We thank Him for Alejandro Alvarado, our wonderful new son-in-law. He and Koreen were married Nov. 4, here in Chile. They are enjoying their new life together.

We thank Him for bringing Jim's mother, Lucille, back to Chile to share the wedding, Thanksgiving and Christmas with us.

We thank Him for each boy and girl we have been able to minister to this year at the Santiago Children's Ministries Outreach Center. We thank Him for every pastor and Bible school teacher Jim was able to train and encourage through Latin American Advanced School of Theology seminars.

**We thank Him for YOU. You have prayed hard and given generously so these ministries could continue to grow and be a blessing to so many. We wish you a most blessed Christmas.**
