What a team!

We are rejoicing here, because March 13-23 we were blessed with the help of an outstanding group of volunteers from Del Norte, CO; Greentown and Anderson, IN and Colonial Heights, VA.

With the help of these fifteen brothers and sisters we were able to remove the forms from the newly poured lower level concrete walls, build the supporting structure and deck upon

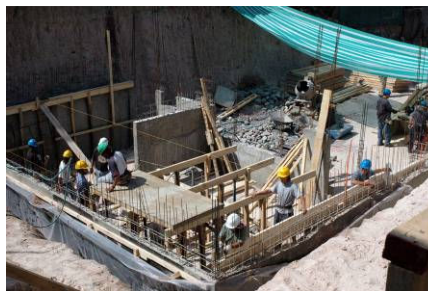

which the next concrete slab will be poured, and build the rebar grids for that slab.

Best of all, we enjoyed a terrific time of Christian fellowship as members of our ministry staff and these American volunteers experienced the unity of the Spirit of Christ, forging friendships that we know will go on forever. We praise God for Pastors Steven Salazar and Paul Furrow who led this team here.

We still need many more teams to come down and help us build the Center, which will be a source of help and witness that will touch the lives of thousands of children in the years to come.

To all who have invested in this ministry and prayed for its growth and success, go our deepest thanks. Your partnership is vital, and is producing results! God bless you for it.
