Four generations, all serving the Lord!

Dear Friends,

Last month we had the great joy of dedicating our grandson, Christopher Alexander Alvarado Mazurek, to the Lord. Although he was born last August, we waited till now, so the greatest number of family members could be present; and the occasion led to this photograph. This is little Christopher's family tree; or from his perspective, his roots.

On top is Christopher, held by his mother, Koreen, and father Alejandro. To their sides are Christopher's uncles and aunts: James and Jamie Mazurek and Claudia and Marco Alvarado. In front of them are his grandparents and great-uncles and aunts, Jim & Ester with her sisters Lissette and Lily, and Alejandro's father, José, next to his sister Silvia and brother Daniel, our national pastor! (Jose's wife, María, a Chilean Assemblies of God pastor's daughter, went to be with the Lord several years ago.) In front are two of Christopher's three living great-grandmothers, Lucille Mazurek and Jose's mother, Blanca Arcila. (Ester's mother is living in Chile but was unable to attend.)

The best part about this photograph is that it shows not only a biological ancestry, but a spiritual heritage as well. Each person shown loves the Lord and is in His service in one capacity or another. And there are more persons and generations of this family not pictured here, who nevertheless are also a part of that heritage. Isn't God good?

To each of you, thank you so much for your prayers and support of our ministry. We are committed to the burden of helping other children, many whom do not have any Christian heritage at all. But Jesus loves them all the same, and has a place for them in His family, as well as a wonderful plan for their lives.

May God bless you and each generation of your family today.
